## DESCRIZIONE

### SARNICO 60

The Sarnico 60 is a goal of elegance and design. The choice of the large side windows gives character as well as light and visibility throughout the interiors. The central cockpit area features a large living room with an alfresco dining table, a well-equipped kitchen, and a wet bar. The main stern deck is a protected spacious living with a large and comfortable sun pad area. A top sunlight roof allows you to enjoy Sarnico 60 thrilling emotions seating right next to the driver's seat. Master cabin and Guests' cabins are located on the lower deck. The Master Cabin at the center of the boat, with a VIP at the bow and the twin cabin at the stern; all with en suite bathroom and showers. The crew accommodations are located in a separate area located at the stern of the boat. Internal bulkheads of sinuous shapes allow obtaining the best exploitation of the spaces, while the same profiles of all the furnishing elements give a pleasant sensation of aesthetic harmony. The search for

new precious essences, used for decorations, highlights the skill of the shipyard's masters. The central position of the engines provides stability while cruising or at anchor. An extremely stable and practice staircase gives access to the large stern swimming platform; a real safe kingdom for children and family.
